

Frank DiSalvo's **Electronic Press Kit**

Frank and the Show

Frank DiSalvo is not an impersonator, per say, but he has an uncanny likeness to “Ol blue eyes”.

From a very young age Frank was influenced by Sinatra and the great crooners of the 50's & 60's, and that led him to perform starting in his early teens. A true entertainer, Frank has performed all over the country and abroad for over 45 years. Frank brings to you an exciting and compelling show filled with memories and laughs that you'll be talking about for a long time. He has mastered the phrasing and styling of the “Chairman of the Board” and you'll be moved by his wonderful voice that has blessed thousands. Frank's show is filled with Sinatra's top hits, laughs and sometimes tears. It will bring you back to the wonderful era of music that immortalized great singers: Bobby Darin, Nat King Cole, Tony Bennett, Dean Martin, and the great singers from the Great American Song Book.

Frank's tribute will put a smile on your face and a song in your heart as you enjoy his ability to recreate the sights and sounds of the legendary singer Frank Sinatra, and the great crooners of that era.

Available for private events, casinos, conventions, or any celebration. Frank's tribute will create a memorable time for all.
